PROXY STATEMENT

ANNUAL MEETING OF SHAREHOLDERS

June 4, 2021

INTRODUCTION; PROXY VOTING INFORMATION

Unless we have indicated otherwise, or the context otherwise requires, references in this proxy statement to “Associated Capital Group, Inc.,” “Associated Capital,” “the Company,” “AC,” “we,” “us” and “our” or similar terms are to Associated Capital Group, Inc., a Delaware corporation, its predecessors and its subsidiaries.

We are sending you this proxy statement and the accompanying proxy card in connection with the solicitation of proxies by the Board of Directors of Associated Capital (the “Board”) for use at our 2021 annual meeting of shareholders (the “2021 Annual Meeting”) to be held virtually via online live webcast on Friday, June 4, 2021, at 8:00 a.m., local time, and at any adjournments or postponements thereof.

The purpose of the 2021 Annual Meeting is to elect directors, to ratify the appointment of the Company’s independent registered public accounting firm and to act upon any other matters properly brought to the 2021 Annual Meeting. We are sending you this proxy statement, the proxy card, and our annual report on Form 10-K containing our financial statements and other financial information for the year ended December 31, 2020 (the “2020 Annual Report”) on or about April 30, 2021. The 2020 Annual Report, however, is not part of the proxy solicitation materials.

Shareholders of record at the close of business on April 15, 2021, the record date for the 2021 Annual Meeting, are entitled to notice of and to vote at the 2021 Annual Meeting. On this record date, we had outstanding 3,175,791 shares of Class A Common Stock, par value \$.001 per share (“Class A Stock”), and 18,962,918 shares of Class B Common Stock, par value \$.001 per share (“Class B Stock”).

The presence, via online webcast or by proxy, of a majority of the aggregate voting power of the shares of Class A Stock and Class B Stock outstanding on April 15, 2021 shall constitute a quorum for the transaction of business at the 2021 Annual Meeting. The Class A Stock and Class B Stock vote together as a single class on all matters. Each share of Class A Stock is entitled to one vote per share, and each share of Class B Stock is entitled to ten votes per share. Directors who receive a plurality of the votes cast at the 2021 Annual Meeting by the holders of Class A Stock and Class B Stock outstanding on April 15, 2021, voting together as a single class, will be elected to serve until the 2022 annual meeting of shareholders (“2022 Annual Meeting”) or until their successors are duly elected and qualified. Any other matters will be determined by a majority of the votes cast at the 2021 Annual Meeting.

Under the New York Stock Exchange rules, the proposal to approve the appointment of independent auditors is considered a “discretionary” item. This means that brokerage firms may vote in their discretion on this matter on behalf of clients who have not furnished voting instructions at least 10 days before the date of the meeting.

In contrast, the election of directors is a “non-discretionary” item. This means brokerage firms that have not received voting instructions from their clients on this proposal may not vote on it. These so-called “broker non-votes” will be included in the calculation of the number of votes considered to be present at the meeting for purposes of determining a quorum, but will not be considered in determining the number of votes necessary for approval. Accordingly, broker non-votes will have no effect on the outcome of the vote for the election of directors. Abstentions will be included in the calculation of the number of votes considered to be present at the meeting for purposes of determining a quorum,

but will not be considered in determining the number of votes necessary for approval and therefore will have no effect on the outcome of the vote for the election of directors, but will have the same effect as voting against the remaining proposals.

We will pay for the costs of soliciting proxies and preparing the 2021 Annual Meeting materials. We ask securities brokers, custodians, nominees and fiduciaries to forward meeting materials to our beneficial shareholders as of the record date, and we will reimburse them for the reasonable out-of-pocket expenses they incur. Our directors, officers and staff members may solicit proxies personally or by telephone, facsimile, e-mail or other means but will not receive additional compensation for doing so.

If you are the beneficial owner, but not the record holder, of shares of our Class A Stock, your broker, custodian or other nominee may only deliver one copy of this proxy statement and our 2020 Annual Report to multiple shareholders who share an address unless we have received contrary instructions from one or more of such shareholders. We will deliver promptly, upon written or oral request, a separate copy of this proxy statement and our 2020 Annual Report to a shareholder at a shared address to which a single copy of the documents was delivered. A shareholder who wishes to receive a separate copy of this proxy statement and 2020 Annual Report, now or in the future, should submit this request by writing to our Secretary at Associated Capital Group, Inc., 191 Mason Street, Greenwich, CT 06830 or by calling our Secretary at (203) 629-9595. Beneficial owners sharing an address who are receiving multiple copies of proxy materials and annual reports and who wish to receive a single copy of such materials in the future will need to contact their broker, custodian or other nominee to request that only a single copy of each document be mailed to all shareholders at the shared address in the future.

All shareholders and properly appointed proxy holders may attend the 2021 Annual Meeting. If you are a registered shareholder (i.e., you hold your shares in your name through our transfer agent, Computershare), you do not need to register to attend the Annual Meeting virtually on the Internet. Please follow the instructions on the proxy card that you received. If you hold your shares through an intermediary, such as a bank or broker, you must register in advance to attend the Annual Meeting virtually on the Internet. To register to attend the Annual Meeting online by webcast you must submit proof of your proxy power (legal proxy) reflecting your Associated Capital Group holdings along with your name and email address to Computershare. ***Requests for registration must be labeled as "Legal Proxy" and be received no later than 5:00 p.m., Eastern Time, on Tuesday, June 1, 2021.*** You will receive a confirmation of your registration by email after we receive your registration materials. In January 2015, Mr. Sodano also became Chairman of the Board of Directors and Chairman of the Executive Committee and the Executive Compensation Committee of Catholic Health, a 17,000-employee healthcare system. From June 2006 to June 2010, Mr. Sodano served as the Dean of the Frank G. Zarb School of Business at Hofstra University. Mr. Sodano also served as Chairman of Hofstra University's Board of Trustees for the maximum three one-year terms from October 2002 through October 2005. From 1997 to 2004, Mr. Sodano held increasingly senior roles at the National Association of Securities Dealers, Inc. (the "NASD") and its affiliated companies. Mr. Sodano was serving as Deputy Chief Operating Officer and Chief Financial Officer of the NASD in 1998 when it acquired the American Stock Exchange (the "AMEX"). From 1999 to 2000, Mr. Sodano simultaneously served as Chairman and Chief Executive Officer of the AMEX and Chief Operating Officer and Chief Financial Officer of the NASD. He served as a member of the Board of Governors of the NASD from 1999 to 2004. Mr. Sodano was appointed Vice Chairman of the NASD Board of Governors in 2000, at which point he relinquished his role as Chief Operating Officer and Chief Financial Officer of the NASD. Mr. Sodano served as Vice Chairman of the NASD Board of Governors and Chairman and Chief Executive Officer of the AMEX until it was sold in 2004. He remained Chairman of the AMEX until he retired in 2005. Mr. Sodano has been the Sorin Distinguished Teaching Fellow at the Frank G. Zarb School of Business at Hofstra University and is currently an adjunct Full Professor.

The Board believes that Mr. Sodano's qualifications to serve on our Board include his business and academic experience, his financial expertise, including his audit committee experience, his experience as a member of the GCIA board of directors and as Chairman of the GCIA Audit Committee.

Elisa M. Wilson has served as a director of GAMCO since February 2009, a director of GGCP since January 2019, and a director of the Company since February 2019. Ms. Wilson is the President and a trustee of the Gabelli Foundation, Inc., a Nevada private charitable trust. She also serves as a Director and Vice President of the Breast Cancer Alliance, a member of the Brunswick School BPA board and as a member of the Board of Trustees of Boston

College. Ms. Wilson earned a B.A. from Boston College and an M.A., Ed.M. from Columbia University. Ms. Wilson is the daughter of Mario J. Gabelli.

The Board believes that Ms. Wilson’s qualifications to serve on our Board include her extensive knowledge of our business and industry, and her broad experience on the boards of both financial and charitable institutions.

Recommendation

The Board recommends that shareholders vote “**FOR**” all of the nominees to our Board.

Vote Required

Nominees who receive a plurality of the votes cast will be elected to serve as directors of the Company until the 2022 Annual Meeting or until their successors are duly elected and qualified. Withheld votes and broker non-votes, if any, will have no effect on the outcome of this proposal. Shareholders who return a signed proxy card but do not indicate how they wish to vote on Proposal 1 will be deemed to have voted “**FOR**” all nominees.

PROPOSAL 2

**RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS**

We are asking our shareholders to ratify the selection of Deloitte & Touche LLP (“D&T”) as the Company’s independent registered public accountants. In accordance with our governance documents, the Board believes that this proposal is consistent with best practices in corporate governance and is an opportunity for shareholders to provide direct feedback to the Board on an important issue of corporate governance. In the event that the shareholders do not approve the selection of D&T, the Audit Committee will reconsider the selection of D&T. Ultimately, however, the Audit Committee retains full discretion and will make all determinations with respect to the appointment of the independent auditors, whether or not the Company’s shareholders ratify the appointment.

For additional information regarding the selection of D&T as the Company’s independent registered public accountants, please see the section captioned *Independent Registered Public Accounting Firm* on page 26.

Recommendation

The Board recommends that shareholders vote “**FOR**” ratification of D&T as the Company’s independent registered public accountants for the year ended December 31, 2021.

Vote Required

Approval of Proposal 2 requires the affirmative vote of a majority of the votes cast on the proposal. Shareholders who return a signed proxy card but do not indicate how they wish to vote on Proposal 2 will be deemed to have voted “**FOR**” Proposal 2. Broker non-votes, if any, will have no effect on the outcome of this proposal. Abstentions, if any, will have the same effect as a vote against this proposal.

CORPORATE GOVERNANCE

Associated Capital continually strives to maintain the highest standards of ethical conduct: reporting results with accuracy and transparency and maintaining full compliance with the laws, rules and regulations that govern the Company's businesses. The Company is active in ensuring that its governance practices continue to serve the interests of its shareholders and remain at the leading edge of best practices.

Determination of Director Independence

The Board has established guidelines which it uses in determining director independence and that are based on the director independence standards of the New York Stock Exchange. A copy of these guidelines can be found as Annex A. These guidelines are also attached to the Board's Corporate Governance Guidelines, which are available at the following website: <http://www.associated-capital-group.com/ir/Corporate-Governance.aspx>. A copy of these guidelines may also be obtained upon request from our Secretary.

In making its determination of independence with respect to Messrs. Lee and Lisman, the Board considered that from time to time, investment advisory affiliates of GAMCO have nominated and may continue to nominate them to the boards of directors of public companies. In making its determination of independence with respect to Messrs. Sodano, Salerno and Lee, the Board considered Mr. Salerno's service on the board of directors of GGCP and Mr. Sodano's and Mr. Lee's former service on the board of directors of GCIA. In making its determination with respect to Mr. Prins, the Board considered Mr. Prins representation of GAMCO and its affiliated entities while a partner at Skadden, Arps, Slate, Meagher & Flom LLP.

With respect to these relationships, the Board considered Messrs. Lee's, Lisman's, Prins', Salerno's and Sodano's lack of economic dependence on the Company and other personal attributes that need to be possessed by independent-minded directors. Based on these guidelines and considerations, the Board concluded that the foregoing directors were independent and determined that none of them had a material relationship with us which would impair his ability to act as an independent director.

The table below sets forth certain information regarding the current directors that serve on our Committees.

<u>Name</u>	<u>Audit Committee</u>	<u>Governance Committee</u>	<u>Compensation Committee</u>	<u>Nominating Committee</u>
Mario J. Gabelli				X (Chair)
Frederic V. Salerno	X	X	X (Chair)	X
Daniel R. Lee		X	X

Committee assignments for 2021 will be made after the annual election of directors.

The Board's Role in the Oversight of Risk

The Board's oversight of risk is administered directly through the Board, as a whole, or through its Committees. Various reports and presentations regarding risk management are presented to the Board including the procedures that the Company has adopted to identify and manage risk. Each of the Board's Committees addresses risks that fall within the Committee's area of responsibility. For example, the Audit Committee is responsible for "overseeing the quality and objectivity of Associated Capital's financial statements and the independent audit thereof." The Audit Committee reserves time at each of its quarterly meetings to meet with the Company's independent registered public accounting firm outside of the presence of the Company's management. The Director of Internal Audit also is significantly involved in risk management evaluation and designs the Company's internal audit programs to take account of risk

evaluation and work in conjunction with the Company's principal financial officer. The Director of Internal Audit reports directly to the Company's Audit Committee.

Relationship of Compensation and Risk

The Compensation Committee of the Board works with the Executive Chairman and Chief Executive Officer and President in reviewing the significant elements of the Company's compensation policies and programs for all staff. They evaluate the intended behaviors each program is designed to incentivize to ensure that such policies and programs are appropriate for the Company.

The Board and Committees

During 2020, there were ten meetings of the Board. Our Board has an Audit Committee, a Compensation Committee, a Governance Committee and a Nominating Committee. We are deemed to be a "controlled company" as defined by the corporate governance standards of the New York Stock Exchange because GGCP holds more than 50% of the voting power of the Company. As a result, we are exempt from the corporate governance standards of the New York Stock Exchange requiring that a majority of the Board be independent and that all members of the Governance, Nominating and Compensation Committees be independent. While the Company is a controlled company, the Board nevertheless is currently comprised of a majority of independent directors.

At least once each year, our independent directors meet in a separate executive session. Mr. Salerno serves as lead independent director and chairs the meetings of our non-management and independent directors.

The Audit Committee regularly meets with our independent registered public accounting firm to ensure that satisfactory accounting procedures are being followed and that internal accounting controls are adequate, reviews fees charged by the independent registered public accounting firm and selects our independent registered public accounting firm. Messrs. Lisman, Salerno and Sodano, each of whom is an independent director as defined by the corporate governance standards of the New York Stock Exchange and the Company's guidelines as set forth in Annex A, are members of the Audit Committee. The Board has determined that Mr. Sodano meets the standards of an "audit committee financial expert," as defined by the applicable securities regulations. The Audit Committee met six times during 2020. A copy of the Audit Committee's charter is posted on our website at <http://www.associated-capital-group.com/ir/Corporate-Governance.aspx>. A shareholder may also obtain a copy of the charter upon written request from our Secretary delivered to our principal executive office.

The Compensation Committee reviews the amounts paid to the Executive Chairman for compliance with the terms of his employment agreement and generally reviews benefits and compensation for the other executive officers, including the Chief Executive Officer. It also administers our Stock Award and Incentive Plan. Messrs. Lee and Salerno, each of whom is an independent director, are the members of the Compensation Committee. The Compensation Committee does not have a formal policy regarding delegation of its authority. The Compensation Committee met once during 2020. A copy of the Compensation Committee's charter is posted on our website at <http://www.associated-capital-group.com/ir/Corporate-Governance.aspx>. A shareholder may also obtain a copy of the charter upon written request from our Secretary delivered to our principal executive office.

The Governance Committee advises the Board on governance policies and procedures. Messrs. Lee, Lisman and Salerno, each of whom is an independent director, are the members of the Governance Committee. The Governance Committee held one meeting during 2020. A copy of the Governance Committee's charter is posted on our website at <http://www.associated-capital-group.com/ir/Corporate-Governance.aspx>. A shareholder may also obtain a copy of the charter upon written request from our Secretary delivered to our principal executive office.

The Nominating Committee advises the Board on the selection and nomination of individuals to serve as directors of the Company. Nominations for director, including nominations for director submitted to the committee by shareholders, are evaluated according to our needs and the nominee's knowledge, experience and background. Mr. Mario Gabelli and Mr. Salerno are the members of the Nominating Committee. Mr. Mario Gabelli is not an independent director as defined by the corporate governance standards of the Company. In 2021, the Nominating Committee recommended the appointment of Mr. Richard T. Prins to the Board, and that recommendation was confirmed by the full Board for election by the shareholders at the 2021 Annual Meeting. A copy of the Nominating Committee's charter is posted on our website at <http://www.associated-capital-group.com/ir/Corporate-Governance.aspx>.

[Governance.aspx](#). A shareholder may also obtain a copy of the charter upon written request from our Secretary delivered to our principal executive office. The Nominating Committee met once in 2020.

The Nominating Committee has adopted the following policy regarding diversity: When identifying nominees as directors, the Committee will have a bias to have diverse representation of candidates who serve or have served as chief executive officers or presidents of public or private corporations or entities that are either for-profit or not-for-profit. In accordance with its charter, the Nominating Committee will review the suitability for continued service as a director of each Board member when his or her term expires and when he or she has a change in status, including but not limited to an employment change, and recommend whether or not the director should be re-nominated. The Nominating Committee will review annually with the Board the composition of the Board as a whole and recommend, if necessary, measures to be taken.

Consideration of Director Candidates Recommended by Shareholders

Except as set forth in the Company's Amended and Restated Bylaws, the Nominating Committee does not have a formal policy regarding the recommendation of director candidates by shareholders. The Board believes it is appropriate not to have such a policy because GGCP holds the majority of the voting power. Nevertheless, the Nominating Committee will consider appropriate candidates recommended by shareholders. Under the process described below, a shareholder wishing to submit such a recommendation should send a letter to our Secretary at 191 Mason Street, Greenwich, CT 06830. The mailing envelope must contain a clear notation that the enclosed letter is a "Director Nominee Recommendation." The letter must identify the author as a shareholder and provide a brief summary of the candidate's qualifications and otherwise comply with the requirements of our Amended and Restated Bylaws. At a minimum, candidates recommended for election to the Board must meet the independence standards of the New York Stock Exchange as well as any criteria used by the Nominating Committee. The Nominating Committee will consider and evaluate candidates recommended by shareholders in the same manner as it considers candidates from other sources. Acceptance of a recommendation does not imply that the committee will ultimately nominate the recommended candidate.

Process for the Consideration of Director Candidates Nominated by Shareholders and of Business Proposed by Shareholders

Associated Capital's Amended and Restated Bylaws set forth the processes and advance notice procedures that shareholders of Associated Capital must follow, and specifies additional information that shareholders of Associated Capital must provide, when proposing director nominations at any annual or special meeting of Associated Capital's shareholders or other business to be considered at an annual meeting of shareholders. Generally, the Company's Amended and Restated Bylaws provide that advance notice of shareholder nominations or proposals of business be provided to Associated Capital not less than ninety (90) days nor more than one hundred twenty (120) days prior to the anniversary date of the preceding annual meeting of shareholders. For the 2022 annual meeting of shareholders therefore, such notice of nomination or other business must be received at Associated Capital's principal executive offices between February 4, 2022 and March 6, 2022.

Article III, Paragraph 8 of Associated Capital's Amended and Restated Bylaws sets out the procedures a shareholder must follow in order to nominate a candidate for Board membership. For these requirements, please refer to the Amended and Restated Bylaws as of November 19, 2015, filed with the SEC on November 25, 2015, as Exhibit 3.2 to a Current Report on Form 8-K.

Director Attendance

During 2020, all of the directors attended at least 75% of the meetings of the Board and the Board committees of which he was a member. Mr. Jamieson attended our 2020 annual meeting of shareholders. We do not have a policy regarding directors' attendance at our annual meetings.

Communications with the Board

Our Board has established a process for shareholders and other interested parties to send communications to the Board. Shareholders or other interested parties who wish to communicate with the Board, the non-management or independent directors, or a particular director may send a letter to our Secretary at Associated Capital Group, Inc., 191 Mason Street, Greenwich, CT 06830. The mailing envelope must contain a clear notation indicating that the enclosed letter is a "Board Communication" or "Director Communication." All such letters must identify the author and clearly state whether the intended recipients are all members of the Board or just certain specified individual directors. The Secretary will make copies of all such letters and circulate them to the appropriate director or directors.

Code of Business Conduct

We have adopted a Code of Business Conduct and Ethics (the "Code of Conduct") that applies to all of our officers, directors and staff members with additional requirements for our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions. The Code of Conduct is posted on our website at <http://www.associated-capital-group.com/ir/Corporate-Governance.aspx>. Any shareholder may also

obtain a copy of the Code of Conduct upon request. Shareholders may address a written request for a printed copy of the Code of Conduct to our Secretary at Associated Capital Group, Inc., 191 Mason Street, Greenwich, CT 06830. We intend to satisfy the disclosure requirement regarding any amendment to, or a waiver of, a provision of the Code of Conduct by posting such information on our website.

Employee, Officer and Director Hedging

Pursuant to our policies and procedures for transacting in Company securities, all employees, including our named executive officers, are prohibited from engaging in any transaction intended to hedge or minimize losses in the Company's securities, including engaging in transactions in puts, calls, or other derivatives of the Company's securities or short-selling the Company's securities or "selling against the box" (i.e., failing to deliver sold securities).

Transactions with Related Persons

Our Board has adopted written procedures governing the review, approval or ratification of any transactions with related persons required to be reported in this proxy statement. The procedures require that all related party transactions, other than certain pre-approved categories of transactions, be reviewed and approved by our Governance Committee or the Board. Under the procedures, directors may not participate in any discussion or approval by the Board of related party transactions in which they or a member of their immediate family is an interested person, except that they shall provide information to the Board concerning the transaction. Only transactions that are found to be in the best interests of the Company will be approved.

Currently, we have a number of policies and procedures addressing conflicts of interest. Our Code of Conduct addresses the responsibilities of our officers, directors and staff to disclose conflicts of interest to our Legal/Compliance Department, which determines whether the matter constitutes a related party transaction that should be reviewed by our Governance Committee or Board. Generally, matters involving employer-employee relationships including compensation and benefits, ongoing arrangements that existed prior to our spin-off from GAMCO on November 30, 2015 and financial service relationships, including investments in our investment partnerships, are not presented for review, approval or ratification by our Governance Committee or Board.

Furthermore, our Amended and Restated Certificate of Incorporation provides that no contract, agreement, arrangement or transaction, or any amendment, modification or termination thereof, or any waiver of any right thereunder, (each, a "Transaction") between Associated Capital and:

- (i) Mario J. Gabelli, any member of his immediate family who is at the time an officer or director of Associated Capital and any entity in which one or more of the foregoing beneficially owns a controlling interest of the outstanding voting securities or comparable interests (each, a "Gabelli");
- (ii) any customer or supplier;
- (iii) any entity in which a director of Associated Capital has a financial interest (a "Related Entity"); or
- (iv) one or more of the directors or officers of Associated Capital or any Related Entity;

will be voidable solely because any of the persons or entities listed in (i) through (iv) above are parties thereto, if the standard specified below is satisfied.

Further, no Transaction will be voidable solely because any such directors or officers are present at or participate in the meeting of the Board or committee thereof that authorizes the Transaction or because their votes are counted for such purpose, if the standard specified below is satisfied. That standard will be satisfied, and such Gabelli, the Related Entity, the directors and officers of Associated Capital or the Related Entity (as applicable) will be deemed to have acted reasonably and in good faith (to the extent such standard is applicable to such person's conduct) and fully to have satisfied any duties of loyalty and fiduciary duties they may have to Associated Capital and its shareholders with respect to such Transaction, if any of the following four requirements are met:

- (i) the material facts as to the relationship or interest and as to the Transaction are disclosed or known to the Board or the committee thereof that authorizes the Transaction, and the Board or such committee in

- good faith approves the Transaction by the affirmative vote of a majority of the disinterested directors of the Board or such committee, even if the disinterested directors represent less than a quorum;
- (ii) the material facts as to the relationship or interest and as to the Transaction are disclosed or known to the holders of voting stock entitled to vote thereon, and the Transaction is specifically approved by vote of the holders of a majority of the voting power of the then outstanding voting stock not owned by such Gabelli or such Related Entity, voting together as a single class;
 - (iii) the Transaction is effected pursuant to guidelines that are in good faith approved by a majority of the disinterested directors of the Board or the applicable committee thereof or by vote of the holders of a majority of the then outstanding voting stock not owned by such Gabelli or such Related Entity, voting together as a single class; or
 - (iv) the Transaction is fair to Associated Capital as of the time it is approved by the Board, a committee thereof or the shareholders of Associated Capital.

For purposes of these provisions, interests in an entity that are not equity or ownership interests or that constitute less than 10% of the equity or ownership interests of such entity will not be considered to confer a financial interest on any person who beneficially owns such interests.

Our Amended and Restated Certificate of Incorporation also provides that any such Transaction authorized, approved, or effected, and each of such guidelines so authorized or approved, as described in (i), (ii) or (iii) above, will be deemed to be entirely fair to Associated Capital and its shareholders, except that, if such authorization or approval is not obtained, or such Transaction is not so effected, no presumption will arise that such Transaction or guideline is not fair to Associated Capital and its shareholders. In addition, our Amended and Restated Certificate of Incorporation provides that a Gabelli will not be liable to Associated Capital or its shareholders for breach of any fiduciary duty that a Gabelli may have as a director of Associated Capital by reason of the fact that a Gabelli takes any action in connection with any transaction between such Gabelli and Associated Capital.

A description of certain related party transactions appears under the heading *Certain Relationships and Related Transactions* on pages 21 to 25 of this proxy statement.

Employment Agreements.

Mr. Mario J. Gabelli is currently the only named executive who has an employment agreement with the Company.

On November 30, 2015, Mr. Gabelli entered into the Employment Agreement with the Company, which was approved by the Company's shareholders on November 12, 2015 and which limits his activities outside of the Company. The Employment Agreement had a three-year initial term with an automatic extension for an additional year on each anniversary of its effective date unless either party gives written notice of termination at least 90 days in advance of the expiration date. The Employment Agreement provides that Mr. Gabelli may not provide investment management services for compensation other than in his capacity as an officer or employee of AC, GAMCO, GGCP, LICT, CIBL, ICTC or Teton or their respective subsidiaries or affiliates except as to certain funds which were in existence at the time of the GAMCO initial public offering and which are subject to performance fee arrangements (collectively "Permissible Accounts"). Since the spin-off transaction, Mr. Gabelli served as a portfolio manager for various mutual funds and separately managed accounts managed by subsidiaries of GAMCO or Teton. The Employment Agreement permits Mr. Gabelli to serve as a director or officer of other entities, with or without compensation.

Mr. Gabelli (or, at his option, his designee) receives an Incentive Management Fee in the amount of 10% of our aggregate annual pre-tax profits, if any, as computed for financial reporting purposes in accordance with U.S. generally accepted accounting principles (before consideration of this fee) so long as he is providing services to the Company. Mr. Gabelli will be deemed to be "providing services" to the Company if he is providing any services to the Company, including, without limitation, services as a director, employee, portfolio manager, advisor or consultant. This Incentive Management Fee is subject to the Compensation Committee's review at least annually for compliance with the terms of the Employment Agreement. The Employment Agreement may not be amended without the approval of the Compensation Committee and Mr. Gabelli.

Consistent with the practice of GAMCO since its inception in 1976, Mr. Gabelli also receives a percentage of revenues or net operating contribution, which are substantially derived from managing or overseeing the management of investment companies or partnerships, attracting investors for collective investment funds or partnership investments, attracting and/or managing separate accounts, providing investment banking services or otherwise generating revenues for the Company or its subsidiaries. Mr. Gabelli will be paid a percentage of the revenues or net operating contribution related to or generated by such business activities, in a manner and at payment rates as agreed to from time to time by Mr. Gabelli and the Company or the affected subsidiaries, which rates have been and generally will be the same as those received by other professionals in the Company or the affected subsidiaries performing similar services.

Dual Employees

In connection with our spin-off from GAMCO on November 30, 2015, we entered into a Transitional Administrative and Management Services Agreement with GAMCO. Pursuant to this agreement, certain employees perform services for both the Company and GAMCO. See *Transitional Administrative and Management Services Agreement* on page 22 for more information. The compensation paid to a dual employee is allocated between the companies based on the relative time spent working for each entity. Messrs. Mario J. Gabelli, Jamieson and Goldstein are dual employees and Mr. Handwerker was a dual employee; the footnotes to the Summary Compensation Table above provide information regarding their compensation paid by GAMCO.

Company Spin-Off Agreements

In connection with the spin-off of the Company from GBL, Associated Capital has entered into certain agreements with GAMCO to define Associated Capital's ongoing relationship with GAMCO after the spin-off. These agreements define responsibility for obligations arising before and after the distribution date, including obligations relating to Associated Capital's employees, certain transitional services and taxes and are summarized below.

Indemnification. On November 30, 2015, we entered into a Separation and Distribution Agreement with GAMCO (the "Separation Agreement"), which contains the key provisions relating to the separation of our business from GAMCO and the distribution of the Associated Capital common stock. The Separation Agreement identified the assets transferred, liabilities assumed and contracts assigned to us by GAMCO and by us to GAMCO in the spin-off and describes when and how these transfers, assumptions and assignments occurred.

While all of the obligations in the Separation Agreement have been discharged, the provisions set forth below survive. As such, GAMCO and AC mutually (a) released each other from all liabilities relating to events, circumstances or actions taken prior to the distribution; and (b) agreed to indemnify each other and their directors, officers, employees, agents and affiliates against all losses, liabilities and damages incurred or suffered arising out of the other party's (i) business, (ii) failure to satisfy liabilities, (iii) breach of the Separation Agreement; and (iv) untrue statements made in connection with regulatory filings or communications with investors or potential investors. Each of the releases and indemnities extends to each party's respective affiliates and their directors, officers, employees and agents.

Transitional Administrative and Management Services Agreement. On November 30, 2015, we entered into a Transitional Administrative and Management Services Agreement with GAMCO (the "Transition Services Agreement") pursuant to which GAMCO provides Associated Capital with a variety of services and Associated Capital provides payroll services to GAMCO following the spin-off. Among the principal services GAMCO provides to us are:

- accounting, financial reporting and consolidation services;
- treasury services, including, without limitation, insurance and risk management services and administration of benefits;
- tax planning, tax return preparation, recordkeeping and reporting services;
- human resources, including but not limited to the sourcing of permanent and temporary employees as needed, recordkeeping, performance reviews and terminations;
- legal and compliance advice, including the services of a Chief Compliance Officer;
- technical/technology consulting; and
- operations and general administrative assistance, including office space, office equipment and furniture, payroll, procurement, and administrative personnel.

In providing the services pursuant to this agreement, GAMCO may, subject to the prior written consent of Associated Capital, employ consultants and other advisers in addition to utilizing its own employees. Services provided by GAMCO to Associated Capital or by Associated Capital to GAMCO under the Transitional Services Agreement are charged at cost. For the fiscal year ended December 31, 2020, GAMCO paid us approximately \$2.1 million, and we paid approximately \$7.1 million to GAMCO for services provided pursuant to the Transitional Services Agreement.

The Transitional Services Agreement initially had a term of twelve months but has been extended by agreement of the parties. The Transitional Services Agreement is terminable by either party on 30 days' prior written notice to the other party.

Tax Indemnity and Sharing Agreement. On November 30, 2015 we entered into a Tax Indemnity and Sharing Agreement with GAMCO that provides for certain agreements and covenants related to tax matters involving GAMCO and us. This agreement covers time periods before and after the distribution. Among the matters addressed in the agreement are filing of tax returns, retention and sharing of books and records, cooperation in tax matters, control of possible tax audits and contests and tax indemnities. The agreement also provides for limitations on certain corporate transactions that could affect the qualification of the spin-off as tax free under the Internal Revenue Code.

Since 1997, GAMCO has leased office space at 401 Theodore Fremd Ave., Rye, NY from M4E, LLC ("M4E"), an entity owned by the adult children of the Executive Chairman. As general partner or co-general partner of various affiliated limited partnerships, GCIA receives a management fee based on a percentage of each partnership’s net assets and a 20% incentive allocation based on economic profits.

Post-IPO AUM in Permissible Accounts totaled \$164.0 million as of December 31, 2020. The Company did not earn performance fees on Post-IPO AUM in the year ended December 31, 2020.

Research and Brokerage Services

As a result of the Morgan Group spin-off, the results of its operations through August 5, 2020, including those of its consolidated subsidiary G.research, have been classified in the Company’s consolidated statements of income as discontinued operations for all periods presented. There was no gain or loss on the spin-off for the Company, and it was a tax-free spin-off to AC’s shareholders.

ANNEX A

GUIDELINES FOR DIRECTOR INDEPENDENCE

For a director to be deemed “independent,” the Board shall affirmatively determine that the director has no material relationship with Associated Capital Group, Inc. (together with its consolidated subsidiaries, “Associated Capital”) or its affiliates or any member of the senior management of Associated Capital or his or her affiliates. This determination shall be disclosed in the proxy statement for each annual meeting of Associated Capital’s shareholders. In making this determination, the Board shall apply the following standards:

- A director who is an employee, or whose immediate family member is an executive officer, of Associated Capital will not be deemed independent until three years after the end of such employment relationship. Employment as an interim Chairman or Chief Executive Officer will not disqualify a director from being considered independent following that employment.
- A director who received, or whose immediate family member received, in any twelve-month period over the last three years more than \$120,000 in direct compensation from Associated Capital will not be deemed independent. In calculating such compensation, the following will be excluded:
 - director and committee fees and pension or other forms of deferred compensation for prior service (provided such compensation is not contingent in any way on continued service);
 - compensation received by a director for former service as an interim Chairman or Chief Executive Officer; and
 - compensation received by an immediate family member for service as a non-executive officer employee of Associated Capital.
- A director will not be considered independent if:
 - the director is a current partner or employee of a firm that is Associated Capital’s internal or external auditor;
 - the director has an immediate family member who is a current partner of Associated Capital’s internal or external auditor;
 - the director has an immediate family member who is a current employee of Associated Capital’s internal or external auditor and personally works on Associated Capital’s audit; or
 - the director or an immediate family member was within the last three years a partner or employee of Associated Capital’s internal or external auditor and personally worked on Associated Capital’s audit within that time.
- A director who is, or whose immediate family member is, or has been within the last three years, employed as an executive officer of another company where any of Associated Capital’s current executive officers serve on that company’s compensation committee will not be deemed independent.
- A director who is a current employee, or whose immediate family member is an executive officer, of an entity that makes payments to, or receives payments from, Associated Capital for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million or 2% of such other entity’s consolidated gross revenues, will not be deemed independent.

- A director who serves as an executive officer of a tax-exempt entity that receives significant contributions (i.e., more than 2% of the annual contributions received by the entity or more than \$1 million in a single fiscal year, whichever amount is greater) from Associated Capital, any of its affiliates, any executive officer or any affiliate of an executive officer within the preceding twelve-month period may not be deemed independent, unless the contribution was approved by the Board and disclosed in Associated Capital's proxy statement.

For purposes of these Guidelines, the terms:

- "affiliate" means any consolidated subsidiary of Associated Capital and any other company or entity that controls, is controlled by or is under common control with Associated Capital, as evidenced by the power to elect a majority of the board of directors or comparable governing body of such entity; and
- "immediate family" means spouse, parents, children, siblings, mothers- and fathers-in-law, sons- and daughters-in-law, brothers- and sisters-in-law and anyone (other than domestic employees) sharing a person's home, but excluding any person who is no longer an immediate family member as a result of legal separation or divorce, or death or incapacitation.

The Board shall undertake an annual review of the independence of all non-employee directors. In advance of the meeting at which this review occurs, each non-employee director shall be asked to provide the Board with full information regarding the director's business and other relationships with Associated Capital and its affiliates and with senior management and their affiliates to enable the Board to evaluate the director's independence.

Directors have an affirmative obligation to inform the Board of any material changes in their circumstances or relationships that may impact their designation by the Board as "independent." This obligation includes all business relationships between, on the one hand, directors or members of their immediate family, and, on the other hand, Associated Capital and its affiliates or members of senior management and their affiliates, whether or not such business relationships are subject to the approval requirements set forth by the Board.
